b. Code Cites IC 25-31-1-12(a)(2) and IC 25-31-1-14(a)

Re: Requirements for licensure

The basis for licensure is a three-legged stool: exam, experience, and education. It appears by the language of the code that how the board has been reviewing applications may be too restrictive. We will need to review the statutes and rules to adjust the requirements, keeping in line with the board's intent and the current trends in the profession.
